

Company:	Whitemud Ironworks Limited
Position:	Loader (Structural Steel)
Location:	Edmonton, AB

Whitemud Ironworks Limited is the largest open shop commercial fabricator/erector in Western Canada.

We are seeking a highly skilled **Loader (Structural Steel)** to join our fabrication team in Edmonton, AB. This is a day shift position working 44 hours per week on an averaging agreement. The hours of work are from 7:00 AM to 4:30 PM Monday to Thursday, and 7:00 AM to 3:30 PM on Friday.

Here is what we offer:

- Competitive wages
- Comprehensive benefits package
- RRSP matching
- Career growth and development

What you will do:

- Loading structural steel with an overhead crane
- Inspect incoming materials including matching, logging and filing packing slips
- Loading and unloading trucks
- Working closely with the Shipping Coordinator

Who we're looking for:

- Previous experience loading structural steel using an overhead crane
- Experience with Forklift and Zoom Boom would be an asset
- Ability to lift items in excess of 50 lbs
- Safety conscious (treats safety as your #1 priority)
- Highly organized and adaptable under the pressure of tight deadlines
- Self-motivated to work under minimal supervision

Interested in joining our team?

If this position is of interest to you, please submit your resume (in Word or PDF format) to careers@wiworks.ca. Qualified candidates will be contacted by the Human Resources Department for an initial phone interview. Due to a high volume of applications, we are not accepting phone inquiries at this time.

Whitemud Ironworks Limited is not accepting agency resumes for this position at the moment.

Come and join us on a venture towards continued growth and success!
