

Company:	Whitemud Ironworks Limited
Position:	Senior Estimator
Location:	Edmonton, AB

Whitemud Ironworks Limited is the largest open shop commercial fabricator/erector in Western Canada. We are a fully integrated steel fabricator and erector that specializes in structural and miscellaneous steel projects in the commercial sector.

We are recognized as an industry leader. Due to our reputation, we have grown substantially over the past 25+ years with established construction crews and 4 fabrication facilities across BC and Alberta totaling over 100,000 square feet.

What we offer:

- Competitive salary
- Comprehensive benefits package
- RRSP matching
- Opportunities for professional growth and development

We are seeking a **Senior Estimator** to join our team in Edmonton, AB. This is an excellent opportunity for someone who wants to advance their career with a reputable, growing organization!

What you will do:

- Review proposal specifications and drawings, contracts and project documentation to determine the scope of work and required contents of the estimate
- Review design options and recommend solutions based on cost, engineering quality, and availability of materials
- Interpret contract documents and regulations to mitigate risk and maximize opportunities
- Identify labour, material and equipment needs based on drawings and specifications
- Prepare estimates of costs of material, labour and equipment for projects based on contract bids, quotations, schematic drawings and specifications
- Prepare bid submissions, proposals and prequalification documents
- Provide a consistent and auditable cost estimate and basis of estimate which is complete and accurate within the range that reflects the level of engineered drawing completeness
- Obtain budget pricing from subcontractors and suppliers
- Maintain files of working documents as back-up to support estimate figures
- Preparation of project estimates to ensure all factors are properly considered, priced and included in the estimate summary
- Performing site visits as required
- Dialogue with clients and attend client review meetings as required

Who we're looking for:

- Engineering or Technologist education in Civil Engineering or Construction Engineering
- Minimum 10 years' experience in estimating steel fabrication and erection in commercial and institutional projects
- P.Eng registered with APEGA or CET registered with ASET
- Proficient in Microsoft Word, Excel, Outlook and Project; Experience with Fabtrol is an asset
- Exceptional attention to detail

Interested in joining our team?

If this position is of interest to you, please apply with your cover letter and resume (in Word or PDF format) to careers@wiworks.ca. If you're willing to relocate for this position, please indicate so in your application. Qualified candidates will be contacted by the Human Resources Department for an initial phone interview.

Whitemud Ironworks Limited is not accepting agency resumes for this position at the moment.
